### DESCRIPTION

#### KIA NIRO EV WIND + 2026

Meet the brand new 2026 Kia Niro EV Ev Wind, now available at Ville-Marie Kia in Montréal. This fully electric SUV is built for drivers who want clean, quiet power and an impressive driving range for daily commutes and weekend plans. Finished in dark blue, it brings a modern look that fits city streets and open roads alike. With its automatic transmission and AVANT traction (front-wheel drive), the 2026 Kia Niro EV Ev Wind is designed to feel smooth and easy in traffic. Electric driving also means instant response at low speeds, fewer moving parts to maintain, and a calm cabin feel that makes every trip more relaxed. If you are ready to move to an all-electric lifestyle, this new Niro EV is a smart way to start. **ELECTRIC VEHICLE FEATURES** »» Fully electric powertrain for zero tailpipe emissions »» Impressive driving range for daily flexibility »» Smooth automatic operation for easy ...
